MINNEWASKA WAS IN BAD WEATHER

The big freight Minnewaska arrived
in the harbor last evening with a car-
go of general merchandise consigned
to Williams, Dimond & Co.

The commander of the mammoth
steamer Minnewaska is Captain Lav-
erge, who is well known at this port.
He formerly piloted on this coast in the
whaleback steamer City of Everett,
and the last time that he sailed from
here was six years ago, when he took
the steamer laden with grain to In-
dia to relieve the famine-stricken peo-
ple.

The steamer had some very bad
weather when off the coast of Chile.
On June 23rd, while battling with a
hurricane, the steering gear was dis-
abled. For hours the vessel was help-
less. Big seas swept the decks from
bow to stern, smashing a lifeboat and
damaging the bridge considerably.

Fortunately, the weather moderated
a little and, with a compass and an
improvised steering gear, the steamer
was brought into Coronel, where the
necessary repairs were made.

The chief officer is W. J. Connell,
formerly chief officer of the steamer
Argyll, and the chief engineer is D.
Griffin, who was connected with the
transport service.—Examiner.

Young Bros. Catch a Shark.

say measures fourteen feet. A horse
was used for bait.

ANOTHER BUNCH OF WEDDINGS

Eight wedding ceremonies were cele-
brated at the same time at the Immi-
gration station yesterday morning.
Japanese were the participants in the
wholesale ceremony and a Japanese
minister performed the service and
raked in the fees. The eight happy
brides arrived on the America Maru.
They said they had been married in
Japan and eight Japanese men came
down to claim them. But the stern of-
ficials refused to recognize the proxy
marriages and it had all to be done
over again as Uncle Sam wanted it
done.

Ventura Is In and Out.

The Ventura arrived about ten
o'clock yesterday morning from San
Francisco and left for the Colonies
again a little after midnight. The
Ventura brought forty-one cabin pas-
sengers to Honolulu, among whom
were ex-Senator Withington and fam-
ily of California. Mr. Withington will
take up the practice of law with W. R.
Castle.

Among the through passengers was
Mrs. Jane K. Stanford, who is making
a tour of the world.

Hard to Find Berths.

The American-Hawaiian Steamship
Company is in a quandary to find
berths for their freighters. Steuart-
street wharf, which is their regular
docking place, accommodates at the
present time the big freighter Minne-
waska and the Nevada. The Alas-
kan, which finished discharging 1,000
tons of coal, had to go to Howard
No. 3, and tomorrow the mammoth
cargo-carrier Texan is due from New
York with freight amounting to 10,000
tons.—Examiner.

BERLIN, Aug. 1.—It is declared here
that there is still a possibility that a
German squadron may be sent to
America to celebrate the opening of
the World's Fair at St. Louis, in spite
of all present official denials. It is a
well known fact that the Kaiser is
anxious to show the United States the
pick of the German navy, which has
formerly been represented in American
waters only by small cruisers and gun-
boats, conveying no idea of the
strength of the empire's navy, but he
is still more anxious that Prince Hen-
ry shall leave the navy this fall.

THE NEBRASKAN WILL BE LATE

Word was received yesterday by
Percy Morse that the Nebraskan would
not sail for Honolulu from San Fran-
cisco until August 22nd. This is four
days later than the schedule time. The
delay is due to the difficulty in get-
ting her sugar unloaded.

The Nevada is due to sail from San
Francisco on September 4th.

CURIOSITY.

Leads to Investigation and Truth.

What shall we do to be saved? was
the title of one of Robt. Ingersoll's
lectures. People of faith and people of
no faith flocked to hear it. Thousands
are asking, "What shall I do to get rid
of dandruff?" The answer is, "Kill the
germ that causes dandruff, falling hair
and finally baldness; and the only
thing that will do it is Newbro's Her-
picide. That is the very latest discov-
ery of the laboratory, and it is the only
preparation that claims to, or that
will, kill the pestiferous dandruff germ.
It also is a delightful hair-dressing,
free from oil or grease or sticky sub-
stances. Try it and be convinced of
its actual merit. Sold by leading drug-
gists. Send 10c. in stamps for sample
to The Herpicide Co., Detroit, Mich.
Holster Drug Co., special agents.
